By signing the entry form you confirm that to the best of your knowledge your dog is fit and able to take part in Agility classes on the day of the show.
24. In estimating the number of awards won, all wins up to and including 25 days before the start of the competition (7th August 2018) shall be counted when entering for any class. 26. In the event that the show is cancelled due to unforeseen circumstances, the society will refund fees, less reasonably incurred expenses. If the show processor has the provisions to do so, competitors will be refunded in the manner in which they had entered the show, but in any event the society will refund fees within 3 months of the show date to all those who had entered and requested a refund within 1 month of the show date
27. Except for mobility aids, nothing shall be carried in the hand while the dog is under test and food shall not be given to a dog whilst in the ring.
28. Should a judge deem a re-run is required, any result and/or faults gained in the previous run must be discounted.
29. Separate entry forms must be completed by each Competitor and must be signed by the competitor or his authorised agent in accordance with the provisions specified thereon. Entry forms must be accompanied with the appropriate fees.
30. No passes are required to enter the showground
31. 33. Animals in Event – No animal other than one officially entered shall be brought into the precincts of the event during its continuance, except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the General Committee. However, at the discretion of the show society, a dog brought to the show by a spectator may be admitted into the precincts of the dog show, with the proviso that those in charge of the dog sign a declaration confirming the dog is free from disease and that the dog will be kept under proper control at all times.

ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and Seesaw.

With this proviso classes are defined as follows:-

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, at either Full height or the Lower Height Option, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Lower Height Option. Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in these regulations and must be clearly identified in the schedule. Each relevant class will have two heights with a change part way through to higher/lower the jump heights and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category. When the Lower Height Option is scheduled a dog may only be entered at either the Full height or at the Lower Height and cannot compete at a different height in any class at that competition. For these purposes a competition shall be defined as all classes covered within the same schedule.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c. refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1 (Elementary)

For owners, handlers or dogs which have not gained a first place in an Agility Class or three first places in Jumping Classes at Kennel Club licensed Agility Shows. *N.B. Owners, handlers or dogs previously qualified out of Grade 1, (Elementary) are not eligible for this class.*

Grade 2 (Starters)

Open to dogs which are not eligible for Grades 1, 3, 4, 5, 6, 7 and have not gained a first place in an Agility Class or three first places in Jumping Classes at Grade 2 at Kennel Club licensed Agility Shows, or elected to progress on points from Grade 1. *N.B. Owners, handlers or dogs previously qualified out of Grade 2 (Starters) are not eligible for this class.*

Grade 3 (Graduate)

Open to dogs which are not eligible for Grade 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed Agility Shows and dogs which are not eligible for Grade 4, 5, 6 or 7.

Grade 4 (Novice)

Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 3 or elected to progress on points from Grade 3 at Kennel Club licensed Agility Shows and are not eligible for Grade 3, 5, 6 or 7.

Grade 5 (Intermediate)

Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 4 and are not eligible for Grade 3, 4, 6 or 7.

Grade 6 (Senior)

Open to dogs which have gained a minimum of 3 first places at Grade 5 at Kennel Club licensed Agility Shows, one of which must have been gained in an Agility (not Jumping) Class, and are not eligible for Grade 3, 4, 5 or 7.

Grade 7 (Advanced)

Open to dogs, which have gained a minimum of 4 first places at Grade 6 at Kennel Club Licensed Agility Shows, 2 first places must be gained in Agility (not Jumping) Classes.

SPECIAL CLASSES

Societies may schedule classes other than those defined above as "Special classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles and the A-ramp, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club

Lower Height Option

All classes that offer the lower height option will have **separate results** at this show.

Class 35 – Sylvia Grimmitt Memorial Cup (Large Grade 1-2 Jumping)

Sylvia Grimmitt was an active member of Prestbury Park DATC with her two boys, Floyd and Marvin. She loved dogs, especially her two border collies, and enjoyed everything that came with agility whether it be training in the cold, attending league matches with her extra positive attitude and getting up at the crack of dawn to walk a course.

Sylvia was a wonderful lady and loved dearly by all at Prestbury Park – she touched everyone she met. She worked very hard at our first KC Show in September 2008 before becoming very ill soon after. Sylvia passed away March 2009 and is terribly missed by all. Sylvia loved fast and furious classes with her crazy collies, especially those without weaves to slow them down! This class is dedicated to Sylvia and the winner of the class will receive a perpetual trophy, sponsored by CGT Lettings Ltd, Cheltenham, where Sylvia was their longest serving employee.

Class 44 - Wendy Dickson Memorial Cup (Large Grade 6-7 Agility)

For over 10 years, Wendy Dickson was a very active member of Prestbury Park DATC carrying out roles such as club treasurer, secretary, along with being a very popular agility and flyball instructor. Wendy was a key member of the Crufts Flyball team who won in 2007, an achievement that she was very proud of. Wendy's love of agility began with her border collie Darcy. Darcy progressed to grade 6 in a very short time and qualified for Olympia along the way. Wendy also participated in winter league matches with both her dogs Darcy and Lou Lou. Wendy would always help whenever she could whether this be teaching, on committee, arranging social events, shopping for show or sorting trophies you name it Wendy would organise it. Wendy was ill for a long time before she sadly passed away but this never stopped her helping, organising or just talking about things that needed doing to run Prestbury Club. Wendy was a much loved, well-respected member and she will always be remembered for her hard work and enthusiasm towards the club that helped her achieve so many things with her beloved border collies. Sadly Wendy passed away two days before our 2012 Show on 30th August 2012.

Wendy's love was agility, feeling in control and giving her time to catch Darcy up, jumping was always too much of a blast for a fast and furious collie so this agility class will be run in her memory, the winner will receive a perpetual trophy, sponsored by Dickson Dog Training, which was founded by Wendy.

RULES 2018

All events must be judged under the appropriate Kennel Club Regulations H & H (1) in force at the time of the event.

Competitors entering any competition will be deemed to have agreed to abide by these rules. All heats must take place at Kennel Club licensed shows and the class name in the schedule should replicate exactly the name of the competition as stated in these rules. All Kennel Club supported competitions must be judged using standard marking.

If the entry for the heat exceeds 360 the class must be split into two equal parts. If the entry exceeds 540 the class must be split into three equal parts. No part, if split, may be less than 150 dogs. Rosettes and awards remain unchanged if the heat is split and will be given for each part. Dogs entered in any heats must be eligible for the competition entered and judges retain the right to check the height of any dog or ask to see the height stated in the Kennel Club Record Book. The handler that qualifies a dog for the Quarterfinal / Semi-Final / Final will be the handler that competes, handler substitutions are not allowed. Dogs cannot compete in more than one competition at Olympia. If a dog qualifies for more than one Quarter-Final or Semi-Final at the Kennel Club International Agility Festival the first successful qualification will take precedence and the dog will be withdrawn from any further Quarter / Semi-Finals and replaced by a reserve. Once a dog has qualified for Olympia, or as a reserve the handler is deemed to have accepted an offer to compete at Olympia, it invalidates any reserve places in any other competition. If the first invitation to compete is declined it invalidates any reserve places in any other competition. All winners of the Olympia Grand

Finals will be invited to compete in the following year's Quarterfinal or Semi-Final at the International Agility Festival without qualifying through the usual procedure via heats. For the Novice winner this will be dependant on the dog still being eligible for grades 3 – 5 on the date of entries closing for the Kennel Club International Agility Festival (These rules would be amended if any changes are made to Kennel Club Agility Regulations during the course of the competition year).

THE KENNEL CLUB OLYMPIA LARGE DOG AGILITY STAKES

Competitors may qualify more than one dog for the Quarterfinals and also the Semi-Final at Olympia, however only the competitor's highest placed dog at the Semi-Final will qualify for the Olympia Grand Final. Once a dog has qualified for the Quarterfinal, further heats may be entered for competition although any placings in these further heats will not affect the dog's eligibility for the Quarter-Finals/Semi-Finals. 2 The first 5 previously unqualified placed dogs from each heat will go forward to the Quarter-Finals at the Kennel Club International Agility Festival held annually in August, if the heat is split then three dogs will be taken from each part. The first 20 dogs from this Quarterfinal will qualify for the Semi-Final at the London Olympia Christmas International Horse Show.

The 20 dogs that qualify for Olympia will compete in the Semi-Final at Olympia. The top 10 highest placed dogs in the Semi-Final will qualify for the evening Grand Final at Olympia (subject to the above).
